Upon completion of the Buyback, the Company will comply with the requirement of maintaining a minimum public shareholding of at least 25% of the total paid up Equity Share capital as provided under Regulation 38 of the SEBI Listing Regulations.

8. AUTHORITY FOR THE BUYBACK

The Buyback is being undertaken in accordance with Article 13A of the Articles of Association, Sections 68, 69 and 70, and other applicable provisions of the Companies Act, applicable rules thereunder including the Companies (Share Capital and Debentures) Rules, 2014, and Buyback Regulations. The Buyback is subject to receipt of such approvals, permissions and sanctions, as may be required under the applicable laws including from the SEBI and/ or the BSE and NSE.

The Buyback has been authorised by the resolution of the Board of Directors passed at their meeting which was held on February 13, 2021.

9. NECESSITY OF THE BUYBACK

9.1 The Buyback is being proposed to help the Company effectively utilize its available surplus funds. The Company does not have any plan in the near future for major capital investment or expansion or business acquisition. These facts when reviewed against the management's overall objective of maximizing shareholders' wealth, has lead the management to consider buyback of the Equity Shares of the Company as an effective way of utilizing the liquid surplus funds being more than what is needed for its regular business operations. The Buyback (including the Transaction Costs and applicable taxes) will be funded from the accumulated surplus funds/ internal accruals available with the Company, in the form of cash and/or liquid marketable investments, and will be drawn out of free reserves of the Company, in accordance with the provisions of Section 68(1) of the Companies Act and Regulation 4(ix) of the Buyback Regulations.

The buyback is expected to:

- (i) reduce the fully paid-up, issued and outstanding number of equity shares and consequently increase earnings per share over a period of time;
- (ii) effectively utilize surplus cash;
- (iii) make the balance sheet leaner and more efficient to improve key return ratios like return on net worth, return on capital employed, etc.;
- (iv) the Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve allocation of number of shares as per the entitlement of the shareholders or 15% of the number of Equity Shares to be bought back, whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the Buyback Regulations; and
- (v) The Buyback gives an option to the equity shareholders to either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment.

9.2 After considering the above mentioned factors and benefits to the Shareholders, the Board of Directors decided to recommend Buyback of upto 8,61,915 (Eight lakhs sixty one thousand nine hundred and fifteen only) Equity Shares of face value Rs. 10 each (representing 6.81% of the total number of Equity Shares of the existing total paid-up equity share capital of the Company) at the Buyback Price of Rs. 222 (Rupees two hundred and twenty two only) per Equity Share, aggregating upto Rs. 19,13,45,130 (Rupees nineteen crores thirteen lakhs forty five thousand one hundred and thirty only), excluding Transaction Costs.

10 MANAGEMENT DISCUSSION AND ANALYSIS AND THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

- 10.1 The Company believes that the Buyback is not likely to cause any material impact on the profitability or earnings of the Company except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming full response to the Buyback, the funds deployed by the Company towards the Buyback would be Rs. 19,13,45,130 (Rupees nineteen crores thirteen lakhs forty five thousand one hundred and thirty only), excluding Transaction Costs. This shall impact the investment income earned by the Company on account of reduced funds available for investment.
- 10.2 We believe that the Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.
- 10.3 The Buyback is expected to contribute to the overall enhancement of shareholder value, and result in an increase in the return on equity and the return on capital employed of the Company.
- 10.4 The members of the promoter and promoter group of the Company (the “**Promoter Group**”) have expressed their intention to participate in the Buyback and offer upto an aggregate of upto 7,54,596 Equity Shares or such lower number of Equity Shares as required in compliance with the Buyback Regulations. For details regarding the intention of the Promoter Group to participate in the Buyback and the maximum number of Equity Shares to be tendered, please refer para 7.7 of this Draft Letter of Offer.
- 10.5 Assuming response to the Buyback is to the extent of 100% (full acceptance) from all the Equity Shareholders upto their Buyback Entitlement, the aggregate shareholding of the members of the promoter and promoter group post the Buyback may change from 56.40%, which is the promoter and promoter group shareholding as on date of this Draft Letter of Offer, to [●]% of the post Buyback equity share capital of the Company and accordingly, the shareholding of the shareholders forming a part of the public category of shareholders may also undergo a change.
- 10.6 The Buyback of Equity Shares shall not result in a change in control or otherwise affect the existing management structure of the Company.

- 3) Total Debt = Short term borrowings + Long term borrowings
- 4) Basic earnings per share = Profit attribute to equity shareholders / Weighted average number of equity shares outstanding during the period
- 5) Diluted earnings per share = Profit after tax attributed to equity shareholders / Weighted average number of equity shares outstanding during the period as adjusted for the effects of all dilutive potential equity shares
- 6) Book Value per Share = (Equity Share Capital + Reserves & Surplus) / Total Outstanding Equity Shares

20 PROCESS AND METHODOLOGY FOR THE BUYBACK

- 20.1 The Company proposes to Buyback upto 8,61,915 Equity Shares from the Equity Shareholders as on the Record Date, through the Tender Offer method, on a proportionate basis, at a price of Rs. 222 (Rupees two hundred and twenty two only) per Equity Share, payable in cash, for an aggregate amount of upto Rs. 19,13,45,130 (Rupees nineteen crores thirteen lakhs forty five thousand one hundred and thirty only), excluding Transaction Costs. The number of Equity Shares proposed to be bought back represents 6.81% of the total number of Equity Shares of the existing paid-up equity share capital of the Company. The Buyback has been approved by the Board of Directors in its meeting held on February 13, 2021. The Buyback is in accordance with Sections 68, 69 and 70 and all other applicable provisions, if any, of the Companies Act and in accordance with Article 13A of the Articles of Association of the Company, and subject to applicable provisions contained in the Buyback Regulations and such other approvals, permissions and exemptions as may be required, from time to time from statutory authorities and/or regulatory authorities, including but not limited to SEBI, BSE, NSE and the Registrar of Companies, Ahmedabad, Gujarat. The Buyback Size is 7.52% and 3.88% of the total fully paid-up equity share capital and free reserves as per the audited, standalone and consolidated financial results of the Company, respectively, for the financial year ended March 31, 2020 (i.e., the latest audited financial statements available as on the date of the Board Meeting approving the Buyback).
- 20.2 Further, the Buyback would be undertaken in accordance with circular no CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 and circular no CFD/DCR2/CIR/P/2016/131 dated December 9, 2016, issued by SEBI, which prescribes mechanism for acquisition of shares through stock exchange. In this regard, the Company will request BSE to provide the acquisition window.
- 20.3 The aggregate shareholding of the promoter and promoter group of the Company is 71,41,651 Equity Shares which represents 56.40% of the existing equity share capital of the Company. In terms of the Buyback Regulations under the Tender Offer method, the promoter and promoter group of a Company have the option to participate in the Buyback. In this regard, the promoter and promoter group have expressed their intention to participate in the Buyback and offer up to an aggregate maximum of 7,54,596 Equity Shares or such lower number of Equity Shares

as required in compliance with the Buyback Regulations *vide* their letter(s) dated February 11, 2021, as described in detail under para 7.7 of this Draft Letter of Offer.

20.4 Assuming response to the Buyback is to the extent of 100% (i.e., full acceptance) from all the Equity Shareholders of the Equity Shares up to their entitlement, the aggregate shareholding of the promoter and promoter group post Buyback may change from 56.40% to [●]% of the post Buyback equity share capital of the Company.

20.5 Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:

- (i) The Company has announced February 26, 2021 as the Record Date for the purpose of determining the Buyback Entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback.
- (ii) The Equity Shares to be bought back as a part of this Buyback is divided into two categories:
 - a) Reserved category for Small Shareholders (“**Reserved Category**”); and
 - b) General category for other Eligible Shareholders (“**General Category**”).
- (iii) As defined in the Buyback Regulations, Small Shareholder includes a shareholder, who holds shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than Rs. 2,00,000. As on the Record Date, the closing price on February 26, 2021 was Rs. [●]. Accordingly, all Equity Shareholders holding not more than [●] Equity Shares as on the Record Date are classified as “Small Shareholders” for the purpose of the Buyback.
- (iv) Based on the above definition, there are [●] Small Shareholders in the Company with an aggregate shareholding of [●] Equity Shares as on Record Date, which constitutes (a) [●]% of the existing issued and outstanding number of Equity Shares of the Company; and (b) [●]% of the maximum number of Equity Shares which the Company proposes to buyback as a part of this Buyback.
- (v) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be the higher of:
 - a) 15% of the number of Equity Shares which the Company proposes to Buyback, i.e., 15% of 8,61,915 Equity Shares which works out to 1,29,288 Equity Shares; or
 - b) The number of Equity Shares entitled as per their shareholding as on the Record Date, being [●] Equity Shares.

All the outstanding Equity Shares have been used for computing the Buyback Entitlement of Small Shareholders since certain members of the promoter and promoter group also intend to offer Equity Shares held by them in the Buyback.

Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, [●] Equity Shares have been reserved for the Small Shareholders (“**Reserved Category**”) and accordingly, the General Category for all other Eligible Shareholders shall consist of [●] Equity Shares (“**General Category**”).

(vi) Based on the above Buyback Entitlements, the ratio of Buyback for both categories is decided as below:

Category of shareholders	Ratio of Buyback(*)
Reserved category for Small Shareholders	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date
General category for all other Equity Shareholders	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date

(*) *The ratio of Buyback indicated above is approximate and provides an indication of the Buyback Entitlement. Any computation of entitled Equity Shares using the above ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for reserved category for Small Shareholders is [●]% and general category for all other Eligible Shareholders is [●].*

20.6 Fractional Entitlements:

If the Buyback Entitlement under the Buyback, after applying the above mentioned ratios to the Equity Shares held on the Record Date, is not a round number (i.e. not in the multiple of one (1) Equity Share), then the fractional

entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [●] or less Equity Shares as on the Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback and will be given preference in the acceptance of one (1) Equity Share, if such Small Shareholders have tendered Additional Equity Shares in the Buyback.

20.7 Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders:

Subject to the provisions contained in the Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

- (i) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.
- (ii) Post the acceptance as described in para 20.7(i) above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buyback, shall be given preference and one (1) Equity Share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- (iii) Post the acceptance as described in para 20.7(i) and 20.7(ii) above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buyback Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per Small Shareholders shall be made in accordance with the Buyback Regulations, i.e., valid acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one (1) Equity Share has been accepted in accordance with para 20.7(ii) above, shall be reduced by one.
- (iv) Adjustment for fractional results in case of proportionate Acceptance, as described in para 20.7(iii) above, is set forth below:
 - a) For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one (1) and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - b) For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one (1) and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

20.8 Basis of Acceptance of Shares validly tendered in the General Category:

Subject to the provisions contained in the Letter of Offer, the Company will accept the Equity Shares tendered in the Buyback by all other Eligible Persons in the General Category in the following order of priority:

- (i) Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (ii) Post the Acceptance as described in para 20.8(i) above, in case there are any Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Shareholders over and above their Buyback Entitlement shall be accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per Shareholder shall be made in accordance with the Buyback Regulations, i.e., valid acceptances per Shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be accepted in General Category.

- (iii) Adjustment for fractional results in case of proportionate acceptance as described in para 20.8(ii) above is set forth below:
 - a) For any Eligible Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one (1) and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - b) For any Eligible Shareholder if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one (1) and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

20.9 Basis of Acceptance of Equity Shares between Categories

- (i) In case there are any Equity Shares left to be bought back in one category (“**Partially Filled Category**”) after acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be accepted proportionately, i.e., valid acceptances per Eligible Shareholder shall be equal to the additional outstanding Equity Shares validly tendered by an Eligible Shareholder in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the Partially Filled Category.
- (ii) If the Partially Filled Category is the General Category, and the second category is the reserved category for Small Shareholders, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one (1) Equity Share has been accepted in accordance with para 20.7 shall be reduced by one (1).
- (iii) Adjustment for fraction results in case of proportionate Acceptance, as described in para 20.9(i) above is set forth below:
 - a) For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one (1) and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - b) For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of one (1) and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

20.10 For avoidance of doubt, it is clarified that:

- (i) the Equity Shares accepted under the Buyback from each Eligible Shareholder, in accordance with the paras above, shall not exceed the number of Equity Shares tendered by the respective Eligible Shareholder;
- (ii) the Equity Shares Accepted under the Buyback from each Eligible Shareholder, in accordance with the paras above, shall not exceed the number of Equity Shares held by respective Eligible Shareholder as on the Record Date; and
- (iii) the Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of acceptance in accordance with the paras above.

20.11 Clubbing of Entitlement

In order to ensure that the same Eligible Shareholders with multiple demat accounts / folios do not receive a higher entitlement under the Reserved Category, the Registrar to the Buyback will club together the Equity Shares held by such shareholders with a common PAN for determining the category (Reserved Category or General Category) and the Buyback Entitlement. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds /trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of ‘clearing members’ or ‘corporate body margin account’ or ‘corporate body - broker’ as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their

entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

Mr. Devang Doctor, (Membership no. 039833), Partner, M/s DJNV & Co., Chartered Accountants, having its office at 2nd Floor, H.N. House, Opp. Muktajivan Colour Lab, Stadium Circle, Navrangpura, Ahmedabad - 380 009 *vide* certificate dated February 13, 2021 has certified the following tax provisions for the Buyback:

1. General

The Indian tax year runs from April 1 to March 31 of subsequent year. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is

liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act, 1961 (“ITA”).

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her Indian sourced income or income received by such person in India. Vide Finance Act, 2020, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India only on their Indian sourced income or income from business or professional controlled in India. In case of shares of a company, the source of income from shares would depend on the “situs” of the shares. As per ITA and Judicial precedents, generally the “situs” of the shares is where company is “incorporated” and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the Double Taxation Avoidance Agreement (“DTAA”), as modified by the Multilateral Instrument (MLI), if the same is applicable to the relevant DTAA between India and the respective country of which the said shareholder is tax resident. The above benefit may be available subject to satisfying relevant conditions prescribed under ITA including but not limited to availability of Tax Residency Certificate, non-applicability of General Anti-Avoidance Rule (“GAAR”) and providing and maintaining necessary information and documents as prescribed under ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

2. Classification of Shareholders

Section 6 of the ITA, determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in two categories as below:

A. Resident Shareholders being:

Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP

Others (corporate bodies):

- Company
- Other than Company

B. Deemed Resident Shareholder – an individual being a citizen of India who is not liable to tax in any other country or territory by reason of domicile, residence or any other criteria of similar nature and has total income other than foreign sourced income exceeding Rs 15 lakh during the tax year.

C. Non-Resident Shareholders being:

Non-Resident Indians (NRIs)

Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)

Others:

- Company
- Other than Company

3. Buy-back of Shares

Section 115QA of the ITA introduced w.e.f. June 1, 2013 contains provisions for taxation of a domestic company in respect of buy-back of shares (within the meaning of Sec. 68 of the Companies Act). In effect, the incidence of tax stands shifted completely to the Company and not the recipient of the buyback proceeds. Before the enactment of Finance Act (No 2), 2019, this section was not applicable to shares listed on a recognized stock exchange. The Finance Act (No. 2), 2019 has amended section 115QA of the ITA with effect from 5th July, 2019 extending its provisions to cover distributed income on buy-back of equity shares of a company listed on a recognized stock exchange as well.

Section 10(34A) of the ITA provided for exemption to a shareholder in respect of income arising from buy-back of shares w.e.f. April 1, 2014 (i.e. Assessment year 2014-15). The Finance Act (No.2), 2019 has also made consequential changes to section 10(34A) of the ITA extending the benefit of exemption of income from buy-back to shareholders in respect of shares listed on recognized stock exchange as well.

Thus, the tax implications to the following categories of shareholders are as under:

A Resident Shareholders or Deemed Resident Shareholders

Income arising to the shareholder on account of buy-back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) of the ITA with effect from July 5, 2019.

B. Non-Resident Shareholders

While the income arising to the shareholder on account of buy back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) with effect from July 5, 2019 in the hands of a Non-resident as well, the same may be subject to tax in the country of residence of the shareholder as per the provisions of the tax laws of that country. The credit of tax may or may not be allowed to such Non-resident shareholder to be claimed in the country of residence in respect of the buy-back tax paid by the company in view of Sec 115QA (4) and (5) of the ITA. Non-resident shareholders need to consult their tax advisors with regard to availability of such a tax credit.

4. Tax Deduction at Source

Currently, there are no provisions for tax deduction at source in respect of income earned from transfer/ buy-back of shares in case of resident shareholders/ deemed resident shareholders.

Given that income arising on account of the buy-back of shares is exempt from tax under Section 10(34A) of ITA, the same would not be subject to tax deduction at source for non-resident shareholders.

Caveat:

The summary of the tax considerations as above is based on the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions. In view of the specific nature of tax consequences, shareholders who are not tax residents of India are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant Country or State tax law and provisions of DTAA where applicable.
